

# MUSCULOSKELETAL SCREEN

*The musculoskeletal screen examination focuses on assessment of range of motion and evaluation of painful joints or soft tissue structure!*

## Who will complete my screening?

Corio Bay Health Group will complete a musculoskeletal screen for each of the 1<sup>st</sup> year BSA athletes each year. Your physiotherapist will be listed on the website under your sports dropdown.

## How do I make my booking?

Corio Bay Health Group administration staff have been advised that when a BSA athlete calls for a booking and identifies themselves as Barwon Sports Academy members, they will receive a discounted rate.

Please call 03 52218822 for the Geelong centre in the heart of Geelong and 03 52457577 for the Waurin Ponds Centre.

Please identify that you are a BSA athlete, your sport and the physiotherapist that your sort has been allocated.

## What is the cost?

If you have private health insurance that your "gap" will be covered. No cost.

If you have no private health insurance, cost of \$30 will be charged. This is a significant discount and provides important information.

## What happens to my results after the screening?

Your results will be written up by the physiotherapist and provided to the BSA Program Coordinator. This will then be corresponded to your strength and conditioning coach who can make program adjustments to ensure any areas of need are catered to.
