

## Association Championship and State Championship Representative Trials

This is a goal I would like all participants to work towards in the BSA in the future in trialling for Association Representative sides or State Championship

For reference, please see attached the Netball Victoria High Performance Pathway for information for where Association Championships and State Titles fit into the HP Pathway.

### Association Championships

Each year every Association (League/Competition) conduct their own trials for Association Representative sides. These representative sides then compete at Central West Association Championships & potentially State Association Championships, where Netball Victoria Talent Identification Scouts select squads heading towards future Victorian Zone Academies and potential State Squads.

I would really like to encourage players to start to look at these opportunities and trial as an experience if currently playing or played the recent winter season. If you played in a different association then that's fine also to trial there. Some Associations have commenced trials and you should have received correspondence through your local club or league (Association) below is information regarding some trials within the region

**Geelong Central NA**  
Representative Team  
Try Out

11&U  
13&U  
15&U

Sunday  
20th Nov  
and  
27th Nov

Kardinia Park Netball Complex, Kilgour Street, South Geelong

AFL Barwon

**SOUTH GEELONG**  
**PANTHERS**  
NETBALL

**South Geelong Panthers** also have a good representative Program based at the Sporting Hub in South Geelong-  
sgnapanthers@gmail.com for more information

## State Championship

Netball Victoria's State Titles is an opportunity for all 19 regions across Victoria to compete in 15&U female, 17&U female, Open female, and mixed All Abilities competitions. Teams play in a round robin style tournament and finals. In Geelong, the Barwon Region State Champ trials are held mid - year, and State Titles in late September. Again, this is a talent scouting opportunity in Netball Victoria's HP Pathway.

## Geelong Flyers Junior Development Program

The Geelong Flyers is a locally based Club that provides a unique opportunity to participate in the Parkville NA Competition in Melbourne on a weeknight. It provides a great opportunity to experience playing at a higher than club level weekly and exposure to a Melbourne Competition. Flyers have an affiliation with Geelong Netball Club (Geelong Cougars). Trials for sides are listed below.

Venue:  
Wurdi Baierr Stadium  
Wadawurrung Way  
Torquay

Time:  
Registration: 2.45pm  
Session: 3.00-5.00pm

FLYERS JUNIOR DEVELOPMENT PROGRAM

**2023 TRIALS**

Screening Date: Sunday 23rd October 2022  
Trial Dates: Sunday 6th & 13th November 2022

I know this is a bit of information but now is a great time to review where everyone is at and moving forward looking to ensure everyone is playing and awareness of the opportunities out there to tap into. You don't have to do them all, but they are great platforms to gain experience and link in with pathways.

Should you want to discuss further or need any assistance please feel free to contact me be it players or parents

Kind Regards

*Susan Meaney*
