Vision, Values & Purpose

OUR VISION

“All talented athletes in our region are discovered and provided opportunities to develop and explore their full potential in sport and life”

OUR VALUES

- *Excellence* - Planning, Preparation, Delivery
- *Care* – Treasure our people
- *Collaboration* – Strategic partnerships
- *Inclusion* – Embrace diversity
- *Innovation* – Continually add value
- *Commitment* – To best value for athletes
- *Enjoyment* – fun, friendship and connection through sport

OUR PURPOSE

To provide talented athletes access to high performance pathways

We advance our vision and fulfill our purpose by ;

- Developing and maintaining meaningful partnerships
- Living our core values
- Caring for all people associated with the academy
- Offering services that are relevant to athlete development in sport and life
- Working with community groups to maximise inclusion of athletes from broad backgrounds

Academy Program Philosophies

The content of the BSA programs must;

- Support and develop athletes through sport specific education and training programs and community involvement opportunities.
- Where possible, provide a higher level of coaching/training than available at club level.
- Provide services, programs and facilities that are not normally accessible or available at club level
- Compliment existing club activities
- Be understanding and sensitive to existing competitions and training periods for each individual sport.
- Capitalise on any opportunities that will benefit BSA Athletes (Outside of Entitlements)
- Maintain a wide development aspect to the program (Target age group)
- Provide a support network to BSA athletes.
